5 BEDROOM STUNNING COLONIAL

12 Miele Place || SUMMIT

Modern 5 bedroom, 4.1 bath, 3,772 sq ft Colonial with high ceilings, open floor plan concept and gorgeous coffered ceilings, moldings and central air! The gourmet eat-in kitchen features top of the line stainless steel designer appliances and opens up to a large family room with a gas fireplace, making the perfect open layout. The family room leads out to an outdoor patio and amazing private backyard, perfect for relaxing or entertaining! The master suite has a 12' coffered ceiling and 2 huge walk-in customized closets, as well as stunning moldings and terrific natural light from 3 large windows. The spa-like master bath features a large shower with marble bench & tile, as well as a large modern soaking tub with a picture window above it. There are 3 additional bedrooms on the 2nd level, one of which is en suite and additional hall bath as well as 2nd level laundry. The lower level features a large recreation room, a media room, second laundry room and a 5th bedroom with en suite bathroom that is an ideal in-law suite. This modern property also features an unfinished bonus room that can be easily converted into a 6th bedroom, with central air & heating, abundant natural light from a large window and plenty of closet and storage space. Conveniently located 0.5 miles off of major highways, and with a close proximity to New York City both by car (35-45 minute drive) and by train (35 train to Penn Station)! This stunning home is also in the incredible Summit school system, just ranked #4 in New Jersey by niche.com! With great natural light, terrific finishes, the perfect open floor plan and high ceilings, this contemporary Colonial shouldn't be missed!
